FRANKLY SPEAKING

I'm writing this on Valentine's Day at the Young Eagles event at Sonoma Skypark. Wow the weather is awesome! This last month brought expeditions from 3 top ten most wanted entity's. That's more new ones than I worked all last year! With Heard in March and North Korea potentially this summer, it's looking good.

This months meeting hasn't been decided, but I'm sure we'll get along, somehow...

Until then, keep your Amps tuned and your Aerials resonant.

US House Cosponsor List for Amateur Radio Parity Act Grows

The list of cosponsors for the US House version of the Amateur Radio Parity Act of 2015 (H.R. 1301) continues to grow. The addition of Rep Stevan Pearce, KG5KIQ (R-NM), and Rep Beto O'Rourke (D-TX) as cosponsors on February 1 raises the total to 120 from both sides of the aisle. Pearce and O'Rourke are among four cosponsors to sign on to the bill since the start of the year. The other two are Reps Robert Brady (D-PA) and Marcy Kaptur (D-OH), who became cosponsors on January 12 and 13, respectively.

One of a small handful of hams in the US House, Pearce got his ham ticket in November, after reaching out to then-Rocky Mountain Division Director (now Second Vice President) Brian Mileshosky, N5ZGT, and New Mexico Section Manager Ed James, KA8JMW, to find

out more about ham radio. He joins his House colleagues Reps Daniel Benishek, KB8TOW (R-MI), and Greg Walden, W7EQI (R-OR), who chairs the House Subcommittee on Communications and Technology. During a January 12 hearing on H.R. 1301, Walden called the Amateur Radio Parity Act "a commonsense bill" and urged his colleagues to support it. Brady, Kaptur, Pearce, and O'Rourke may have heeded his advice.
